

Debangshu Bhattacharjee

DATA ENGINEER

Objective

Passionate about learning technologies that run the data-driven world. Looking forward to being part of a team where I can learn and grow in my technical capabilities.

Experience

Data Engineering Intern, Acko, Bengaluru

JANUARY 2023 – JUNE 2023

- Worked on a proof-of-concept involving *Apache Hudi*, *Apache Hive*, *Apache Spark* & other open-source technology to gain a deeper understanding of *Apache Hudi* for Acko's use case.
- Ideated and designed a tool to aid the team and eventually eliminate a regular non-essential task using *React* & *FastAPI*.
- Handled regular tasks involving the use of *Google BigQuery*, *Google Cloud Composer (Apache Airflow)*, *dbt* and other internal tools.

Data Engineering Intern, Vahan

JULY 2022 – DECEMBER 2022

- Added functionalities aiding the visibility of running queries and other features that enhance user experience to Vahan's fork of *Redash*.
- Migrated Vahan's on-premise *PostgreSQL* database to *AWS RDS* using *AirByte*.
- Added *OAuth* to Vahan's internal data processing tool.
- Wrote multiple scripts ranging from utility scripts, and automating downloads using *Selenium* to calculating critical data quality metrics.

Data Science Intern, Home.LLC

MARCH 2022 – JUNE 2022

- Analyzed large datasets using *Spark-SQL* and *Pandas* with *Python* to gain state-level insights about housing market factors and trends.
- Created data pipelines for monthly data collection from various APIs reducing the manual intervention needed to none.
- Created visualization to gain insights on the housing market using *Tableau* & *Python* (*Seaborn* and *Matplotlib*).
- Contributed to our Social Media Team (500+ Tweets) and Hiring Team (30+ Interviews) over a period of 3 months.

Education

B.Tech. in CSE, Kalinga Institute of Industrial Technology

JUNE 2019 – APRIL 2023

Extra-curricular activities

Assistant Coordinator, KIIT Film Society

AUGUST 2021 – AUGUST 2022

Regularly managed a team of **100+** people, organized workshops with **40+** attendees on various parts of Film making, and a fest with **200+** attendees.
